Hiring Manager

Montefiore Comprehensive Family Care Center

New York, NY

Dear Hiring Manager,

I am excited to apply for the Physician Assistant position at Montefiore Comprehensive Family Care Center. As a Physician Assistant student at York College with clinical experience in primary care, urgent care, surgery, and internal medicine, I am eager to bring my skills and patient-focused approach to your team.

During my clinical rotations, including my family medicine rotation at Devicka Persaud Medical PC, I gained experience in chronic disease management, preventive care, and patient education. I am skilled in conducting thorough patient assessments, managing conditions like diabetes and hypertension, and collaborating with healthcare teams to optimize patient care. My experience in urgent care and emergency settings has also strengthened my ability to prioritize and provide timely care in fast-paced environments.

In addition, I am proficient in French, which allows me to effectively communicate with French-speaking patients and help bridge language barriers in diverse populations.

Montefiore's commitment to high-quality, compassionate care for diverse communities deeply resonates with my professional values. I am excited about the opportunity to contribute to this mission while continuing to grow in a supportive, team-oriented environment.

I would welcome the opportunity to discuss how my experiences and skills align with the needs of your team. Thank you for considering my application. I look forward to the possibility of contributing to your practice.

Sincerely,

Abd-Manaaf Bakere
